

Babson/Olin/Wellesley Faculty Connections Program

We hope you will participate in this opportunity to strengthen connections between BOW faculty and foster personal, academic and community development.

HOW DO I JOIN?

If you are interested in joining, please sign up by using this [Google form](#).

You will be paired with other BOW faculty and notified of your group. Faculty may also form their own groups; please indicate a pre-made group in the Google form.

What is the BOW Faculty Connections Program?

The BOW faculty connections program seeks to bring together small groups of faculty from the three colleges for informal conversations and sharing of ideas and experiences over lunch and/or after-work drinks.

Faculty from each of the three colleges will form small groups. Over the course of the semester, groups will set up their own times to meet at one of the colleges. The BOW Collaboration will sponsor three meetings per semester at a BOW campus venue (dining hall, the Bottom Line, Wellesley College Club).
